

SORBENT ROLL 81CM X 46M UNIVERSAL

Part No
34110

TECHNICAL DATA

SORBENT ROLL 81CM X 46M UNIVERSAL

Spill Rug. Absorbs most industrial liquids (oil-based as well as water-based). Spunbond on one side gives superior strength. Spunbond material allows for high abrasion resistance when used in high traffic areas. All rolls are perforated twice down the center as well as across the width thus minimizing waste. Camouflage pattern masks stains and keeps floor looking clean. Thick outer spunbond layer makes product extra resistant. Perforated down center as well as across width.

TECHNICAL DATA

Part No	34110
Capacity	264 l
Dimension	810 mm
Quantity	46 m
H.S. Code	59119099
