

MULTI POINT DISPENSE MODULE (MPDM) 4 OUTPUTS

Part No
23400

TECHNICAL DATA

MULTI POINT DISPENSE MODULE (MPDM) 4 OUTPUTS

Each MPDM has connections to control up to four solenoid valves and is equipped with a key switch with normal operation, emergency over-ride and On/Off functions. Suitable for meter units with flow direction function. 230-240 V AC power supply required

TECHNICAL DATA

Part No	23400
Voltage	230 V AC
Meter	4 pce
Power consumption	0,63 A
H.S. Code	84715000
