

PIT WORKING PLATFORM.

Part No
64000

TECHNICAL DATA

PIT WORKING PLATFORM.

Runs on a rail fixed to the pit floor and is height adjustable, enabling ease of access to all the places under the vehicle. Driven by compressed air it has the capacity to lift a person and tools. Standard accessories include a tool tray, air connection and brake. Safety features include trap protection.

TECHNICAL DATA

Part No	64000
Capacity	670 mm
Capacity	200 kg
Dimension	1200X840 mm
H.S. Code	84254100
