

EXTRACTION ARM MINI Ø100 MM 2,1 M

Part No
84448

TECHNICAL DATA

EXTRACTION ARM MINI Ø100 MM 2,1 M

Compact and flexible extraction arm, perfect for smaller dust and fume applications. It has friction joints and a balancing strap for smooth and stable movement. The tubes are made of aluminum and the flame-retardant hoses of PVC with internal steel spirals. Delivered with a wall mount.

The mini fume extractor is designed for soldering fumes, airborne dust, and fumes from solvents.
