

Z-SWIVEL FOR GREASE 1/4" - 1/2"-27 (M) NPT

Part No
18072

TECHNICAL DATA

Z-SWIVEL FOR GREASE 1/4" - 1/2"-27 (M) NPT

Makes it possible to handle grease hoses with ease even at high pressure. For best results use a straight swivel between pump and distribution hose and a Z-swivel between hose and grease control valve.

TECHNICAL DATA

Part No	18072
Thread	1/4" - 1/2"-27 (M) NPT
Maximum working pressure	50 (500) MPa (bar)
H.S. Code	73079910
