

## A blue Varta Industrial Alkaline battery. The battery has a yellow stripe on the top edge. The word "VARTA" is printed in large white letters, and "INDUSTRIAL" is printed in large yellow letters below it. To the left of the logo, the word "ALKALINE" is printed vertically in white. On the top surface, there are safety warnings in multiple languages: "Nicht aufladen / Ne pas recharger / Do not recharge", "Nicht entladen / Ne pas décharger / Do not discharge", "Nicht öffnen / Ne pas ouvrir / Do not open", "Nicht zusammenstecken / Ne pas assembler / Do not assemble", "Nicht feuern / Ne pas tirer / Do not fire", and "Made in China".
